**2021 National Women's Month
Culminating Activity Seminar on SOGIE Law:
Advocacy Tokens**

I. Background

The 2021 National Women's Month Celebration serves as a tribute, a platform, and a call to action that highlights the extraordinary roles of ordinary Juanas in the society as trailblazers and harbingers of change. This celebration is also a venue to discuss and address the issues that women continue to face so empowerment can be fully achieved. The campaign is also a call for concrete, sustainable, and inclusive actions towards gender equality.

In observance of the *2021 Women's Month Celebration* and in accordance with GAD's main objective of establishing gender equality and equity among men and women in the country, a series of GAD related activities will be conducted by the National Privacy Commission for the whole month of March 2021.

The National Women's Month Celebration (NWMC) is celebrated annually every March as part of a worldwide observance of the International Women's Day.

According to the Philippine Commission on Women, year 2021 is a turning point in advancing equality and women's empowerment (GEWE) in the Philippines. Under the banner theme, "We Make Change Work for Women", the 2021 NWMC shall celebrate and take stock of the progress made to advance GEWE in the country.

The FY 2021 Women's Month Celebration aimed at addressing the following objectives:

- Inform officials and employees of NPC programs and services – to promote citizen-centric governance and make "change" a conscious effort to know and understand GAD as it relates to the various aspects of the NPC's operations, procedures, and activities.
- Create and facilitate platforms to discuss good practices, gaps, challenges and commitments in pursuing gender and development (GAD) – to strengthen implementation of the Magna Carta of Women
- Inspire and empower women and girls to be agents of change – to contribute in promoting gender equality and the empowerment of all women

Relative thereto, the NPC GAD TWG-FPS will conduct the following activities, consistent with the NPC GAD FY 2021 Plans and Programs:
